IMPORTANT NOTIFICATION REGARDING SCIO INTERNATIONAL SRL!

TO WHOM IT MAY CONCERN:

To all our partners, customers and international representatives:

This letter is meant to bring some light on the recent developments taking place on the market share referring to the EDUCTOR biofeedback device.

Please read this carefully and be advised that this is the official point of view pertaining to Desire Dubounet / Professor NELSON, QXSUBSPACE, BHO (Budapest Home Office) and BIOFEEDBACK 2014 Company (producer of the device).

1. SCIO INTERNATIONAL SRL is not a partner, nor has it any right of distribution for the EDUCTOR biofeedback device, nor has it any right at all to sell or perform any kind of training in the related field of training.
2. SCIO INTERNATIONAL SRL has no permit to sell the software used for the SCIO and EDUCTOR devices.
3. As a result of several mail messages sent to our partners concerning the Authorization withdrawal for the SCIO INTERNATIONAL trademark, we want to outline that this trademark has nothing to do with the registered trademarks for SCIO or EDUCTOR devices, as we are speaking of two things.

4. Also, please be aware that we have already started the legal proceedings before the court in order to stop them sell or use the EDUCTOR device under any circumstances (selling, trading, etc.).
5. It is a fraud and a huge lie to claim that SCIO INTERNATIONAL SRL is a worldwide representative seller for the EDUCTOR device.
6. Furthermore, we want to advise everyone to only purchase SCIO or EDUCTOR devices from the registered Representatives on www.qxsubspace.com. (<http://www.qxsubspace.com/search/representative> and <http://www.qxsubspace.com/search/sales>)

The purpose of this letter is for all our partners to keep confidence and not let themselves be misled by SCIO INTERNATIONAL SRL and this fraud.

Truly yours,

Desire Dubounet / Professor NELSON

QXSUBSPACE

BHO (Budapest Home Office)
